You are invited to participate in **the 2017 VI International Conference on Network, Communication and Computing (ICNCC 2017)** in Kunming, China, December 8-10, 2017. Previously, **ICNCC was successfully held in Kyoto, Japan 2016, Tokyo, Japan 2015, Hong Kong 2014, Kuala Lumpur 2013 and Hong Kong 2012.**

ICNCC provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Network, Communication and Computing. It will include the participation of renowned keynote speakers, oral presentations, posters sessions and technical conferences related to the topics dealt with in the Scientific Program.

Conference proceedings

Conference proceedings will be published by *ACM*, which will be archived in the *ACM Digital Library*, indexed by *Ei Compendex, Scopus,* and submitted to be reviewed by Thomson Reuters Conference Proceedings Citation Index *(ISI Web of Science).*
