

Kuala Lumpur, Malaysia | December 10-12, 2026

2026 The 15th International Conference on Networks, Communication and Computing

ICNCC 2026 will be held in Kuala Lumpur, Malaysia during December 10-12, 2026. This year, the event is sponsored by National Taiwan University of Science and Technology, Taiwan and University Technology Malaysia, Malaysia, and patroned by Brandon University, Canada, Momoyama Gakuin University (St Andrew's University), Japan.

Conference Awards

Outstanding Contribution Award Best Oral Presentation Award
Best Reviewer Award Best Poster Presentation Award
Best Student Paper Award

Organizing Committee

Conference Chairs

Shien-Kuei Liaw, National Taiwan University of Science and Technology, Taiwan, China
Nobuo Funabiki, Okayama University, Japan

Conference Co-chairs

Kiyoshi Ueda, Nihon University, Japan
Benjamin W. Wah, The Chinese University of Hong Kong, Hong Kong, China
Sharifah Hafizah Syed Ariffin, University Technology Malaysia, Malaysia
Masashi Sugano, Momoyama Gakuin University (St Andrew's University), Japan

Program Chairs

Liang-Bi Chen, National Penghu University of Science and Technology, Taiwan, China
Gautam Srivastava, Brandon University, Canada

Program Co-chair

Massimo Ficco, University of Salerno, Italy

Publicity Chairs

Carlos Becker Westphall, Federal University of Santa Catarina, Brazil
Thien Wan Au, Universiti Teknologi Brunei, Brunei

Conference Proceedings

Accepted full papers that fall within the technical scope of the IEEE will be published into **Conference Publishing Services (CPS)**, which will be included in **IEEE Xplore**, submitted for **Scopus & Ei Compindex index**.

Call for Papers

Digital Communication and Signal Processing

- Communication theory
- Communications switching and routing
- Communications modeling
- Computer communications
- Distributed communications

Future Communication System and Internet Technology

- Next generation networks [NGN] principles
- Storage area networks [SAN]
- Access and home networks
- High-speed networks
- Optical networks

Emerging Technology in 5G/6G Communication System

- Energy-efficient AI enabled B5G/6G network management
- AI for low complexity in B5G/6G
- Decentralized AI for sustainable B5G/6G
- Green communication in AI-enabled B5G/6G
- Edge learning for sustainable B5G/6G

Computing and Network

- cloud computing
- Fog calculation
- Visit more edge computing (MEC)
- Internet computing
- Mobile calculation

Submission

Online Submission System:

<http://www.easychair.org/conferences/?conf=icncc2026>

Template Download:

<https://www.icncc.org/downloads/conference-latex-template.zip>

Submission Deadline: October 30th, 2026

Call for Special Sessions

Special Sessions may address one or more Tracks, but they should be Organized under a unified theme. Special Sessions are intended to allow projects or any other group of authors to present their own work. Special Session proposals must contain the following information:

1. Title of the proposed Special Session
2. Names, affiliations, and contact information of the session organizers
3. Brief biographies of the session organizers
4. Brief description of the proposed session topic and discussion on why this is a good topic for an ICNCC2026 special session

For detailed information: <https://www.icncc.org/session.html>
